Wow... that sucks. I know that you put everything into that place and I feel horrible for you. I hope that things work out. I know that today's economic crisis doesn't help, it's killing us all. Well all of us except the politicians.

It was also a pleasure doing business with you, and again, I hope everything works out.

Keep in touch if you like, I have enjoyed working with and talking with you and if I can ever help you again in anyway let me know.

Dave.

Hi Dave,

I just wanted to let you know that we have closed the restaurant down here in Cape Coral, FL. We are losing the house as well. Life sucks at the moment. Could you please take down our website.

Thanks and it has been a pleasure working with you.

Best regards,  
Julie and Larry Parker
